Assumption of Risk Agreement and Release for Summer 2020

Name(s) of Youth _____

I grant permission for the above listed youth to participate in events sponsored by the Davidson College Presbyterian Church Youth Program. I fully and forever release and discharge Davidson College Presbyterian Church from any and all claims, demands, damages, or causes of action, present or future, whether the same be known, anticipated or unanticipated, resulting from or arising out of my participation in said events or transportation on the Davidson College Presbyterian Church van, bus or other vehicle being used for a Davidson College Presbyterian Church youth event. In the event that I cannot be reached in an emergency, I give permission for the leaders to obtain the necessary medical help.

In addition, I understand that this assumption of risk includes contraction of COVID-19. COVID-19 is highly contagious and it is possible to develop and contract COVID-19 while participating in DCPC events. While DCPC staff and volunteers will prescribe, enforce, and model precautions recommended by medical and scientific experts, there is always the possibility that unforeseen events, human error, and/or misunderstanding of the virus and its transmission may result in infection for the above listed youth.

In order to protect others, I will monitor youth in my care for symptoms of COVID-19, which include:

- A fever of 100.4°F or higher
- Respiratory symptoms, such as dry cough or shortness of breath
- Sore throat
- Headache
- Body aches
- Chills
- Loss of taste or smell

If any symptoms are present, I will elect not to send youth in my care, including siblings or friends with extended contact. Should testing lead to a confirmed case of COVID-19 within 2 weeks of attending a DCPC Youth event, I will contact DCPC leadership so that other families can be alerted.

I have read and understood the foregoing Assumption of Risk and Release.
